Amendments to the drawings:

The attached sheet of drawings includes a change to FIG. 2, where reference number 20 corresponding to the base or work surface has been labeled. No new matter is added.

Attachment: Replacement Sheet

REMARKS

Applicant respectfully requests that the subject PCT National Phase application be preliminarily amended as provided in the foregoing amendment.

A new title is provided that is descriptive of the Applicant's claimed invention. Also, the specification has been amended on page 11, line 1 to correct typographical errors. No new matter is added.

The drawings have been amended to label reference number 20 for the base or work surface in FIG. 2. No new matter is added. Support is provided in the specification, for example, on page 6, line 36; page 7, line 8; and page 7, line 27. Approval of the replacement drawing sheet is respectfully requested.

Claims 22-49 are pending in the application. Claims 1-21 have been canceled without prejudice. The amendments are fully supported by the application as originally filed.

It is believed that the claims are in condition for immediate allowance, which action is earnestly solicited.

Respectfully submitted,

Date: August 10, 2006
